Continuation of 4(e) Other: The amendment is not in compliance with 37 CFR 1.121(c)(2). The markings to indicate the changes that have been made relative to the immediate prior version of the claims does not appear accurate. The following is exemplary only. Applicant should review the amendment for all such inaccuracies. In claim 14, lines 21-25 appear inaccurate. In line 21, the phrase "is a stretch laminate and provides for" has been removed without markings indicating such. The word "comprises" has been shown as deleted, but was not present in the prior version. The word "means" should be underlined as it has been added. In line 22, the word "sizes" should not have underlining. Lines 23 and 25 should not have underlining as the indicated added material was added in the previous amendment. Claim 20 contains like deficiencies.
